Balance Sheet”**

Marquette Transportation selects MarineCFO

One of the Nation’s Largest Marine Transportation Services Companies selects MarineCFO

New Orleans, Louisiana – (December 3, 2008) – MarineCFO Inc., the leading provider of On-Vessel, Marine Operations, Personnel, Fleet Maintenance and Financial Management Software Solutions to the Marine Transportation Industry, announced today that Marquette Transportation Company, LLC has selected MarineCFO enterprise software and ancillary services for use throughout their subsidiaries.

“Along with our investment in vessel assets we felt that continued investment in technology was important to our overall success”, said Jim Townsend, Chief Information Officer with Marquette. “MarineCFO presents a robust solution that is configurable to our business model and is capable of expanding as we grow our business.”

“MarineCFO is focused on bringing the latest in Marine Software Technology to the Marine Industry and we are excited to announce Marquette Transportation as a customer”, said Joe Galatas President of MarineCFO. “Marquette is a long standing, successful company and we are privileged to be chosen as their software partner. We feel that our flexible software solution along with tight integration into Marquette’s existing accounting package will provide valuable management information to aid in business decision making.”
