Gulf Offshore Logistics, LLC selects MarineCFO Live! Personnel

New Orleans, Louisiana – (January 5, 2010) – MarineCFO, Inc. the leading provider of On-Vessel, Marine Operations, Personnel, Fleet Maintenance and Financial Management Software Solutions to the Marine Transportation Industry, announced today that Gulf Offshore Logistics has selected MarineCFO Personnel Live! for use throughout its company.

“Gulf Offshore Logistics provides services to a variety of customers and we are committed to providing experienced and self motivated employees to our customers,” said Alex Griffin, Personnel Manager of Gulf Offshore Logistics. “We chose MarineCFO Personnel Live! because it gives us the ability to store, track and schedule employees. More importantly, our people absolutely love it and all we needed was an internet connection.”

“MarineCFO has been providing marine business solutions to some of the largest and most respected workboat companies in the world through our Enterprise product”, said Ed DeVillier, Vice-President of Sales of MarineCFO, Inc. “Now with our release of MarineCFO Live!, small and medium size marine companies can realize some of the same business solutions as our large customers. To encourage marine companies to take advantage of these business solutions, MarineCFO is running an Early Adopter Program for its Personnel Live! module. We encourage everyone to visit our website at <http://www.MarineCFOLive.com> and take advantage of this offer just like Gulf Offshore Logistics did.”

“MarineCFO is proud to add a quality company like Gulf Offshore Logistics to its client list,” said DeVillier. “They have 7 Platform Supply Vessels, 7 Fast Supply Vessels, 8 Mini Supply Vessels, 4 Utility Vessels, and 9 Tug Boats. Our software will enable them to streamline business processes and coordinate their employees for all these types of vessels.”
